

TREE PLANTING EVENT HELD AT SULTAN PARK

Staff of the Ministry of Housing and Environment carried out a tree planting event at Sultan Park on 15th January 2011 to help make the place greener and more environment friendly.

Under the initiative of Minister Mohamed Aslam, the event was participated by families of staff from different areas of the Ministry and UNDP. Young and old planted different types of trees at various locations of the park from morning till noon.

Trees were gifted by those who attended the event. The event was also carried out with assistance and cooperation of State Trading Organization (S.T.O.), Island Aviation, Thilafushi Corporation and Male' Municipality.

The event was fruitful with over 100 new trees planted while the families and staff enjoyed a fun time together. Minister Mohamed Aslam, State Minister Dr. Mohamed Shareef, Deputy Minister Mohamed Faiz and Permanent Secretary Ahmed Saleem actively participated in the event with family members.
