

## INFORMATION SESSION ON THE STUDENT-CENTERED TEACHING AND LEARNING PHILOSOPHY OF MNU

CETE's Lead Instructional Designer Fathimath Mumthaz was part of the team who conducted information sessions on the student-centered teaching and learning philosophy of MNU. These sessions were carried out as a collaboration work between Policy and quality control unit, TDU CETE and FE. The purpose of these sessions was to make the academic staff aware of the student-centered learning which is considered as the philosophy of teaching and learning at MNU in the newly formulated teaching and learning policy. Sessions were conducted for all the faculties simultaneously.
