Is there no word for Shaviyani? What about “shees jehun” in addoo dialect, In Male’ Dialect, the word is “thumun fumun”; in Addoo we call it “shees jehun”. Isn’t this a dhivehi word? Is this word used in Arabic or Urdu? If not we cannot use letter “sheen”, doesn’t that mean we have to use “shaviyani” to write this word. I heard authorities didnt want to include “shees” in the radheef, because they want to keep “shaviyani” woutwith a word?
