16 Days of Activism Against Gender-Based Violence

16 Days of Activism Against Gender-Based Violence is an international campaign that takes place every year from October 15 to November 10. The campaign is a response to the violence against women and girls, which is a global problem. The campaign is a call to action for governments, organizations, and individuals to take steps to prevent violence against women and girls. The campaign is a call to action for governments, organizations, and individuals to take steps to prevent violence against women and girls. The campaign is a call to action for governments, organizations, and individuals to take steps to prevent violence against women and girls.

16 תרפ"ז, הוקמה מכללת תל אביב, והיא אחת מהמכללות המובילות בישראל. המכללה מציעה מגוון רחב של תוכניות לימודים, הכוללות מדעים, אומנות, חינוך ובריאות. המכללה היא חברה מייסדת באגודת המכללות בישראל, ושותפת פעילה בתהליכי הרפורמה במערכת החינוך.

Sexual Harassment

includes unwelcome sexual advances, sexual comments & jokes. Everyone has the right to a sexual harassment-free work place. Reporting it makes it harder for the harasser to continue their inappropriate behaviour, and encourages others to stand against it.

#16Days of Activism #ENDviolence

Over **90** cases of **Sexual Violence** against girls have been reported to the Ministry between **July - October 2017**. Empower girls against all forms of violence, and support them to rebuild their lives.

The illustration shows a young girl in a pink dress sitting on a bed in a room. On the bed are a blue blanket, a white pillow, and a pair of sandals. A shelf above the bed holds a gold trophy, a clock, and books. A window with a view of a city is on the left, and a pair of sunglasses lies on the floor nearby.

Intimidation

Many women experience intimidation at work, at home or in other social spaces. Intimidators bully, constantly ostracize or verbally abuse someone to achieve a sense of superiority and psychological dominance.
